Thank you, Tom. The afternoon of May 9<sup>th</sup> would work for me, too.

If the 9<sup>th</sup> or 10<sup>th</sup> works, lets go for one of those. We won't have Mr. Reiger, from enforcement, but maybe he can provide key bullets. Afternoon of the 9<sup>th</sup> is wide open for me. Would that work,

Tom

Hi, Tom:

I thought you were looking at the 9<sup>th</sup> or 10<sup>th</sup>. I have my annual OSHA 8-hour refresher all day on May 12<sup>th</sup>. Can we look at another date or time?

Thank you,

Joe

Mike,

I've pinged the key doers on the CFAC site and it looks like Thursday May 12<sup>th</sup> is the best day. I am open from 9 am to 3 pm, so let me know and I'll get an invite out if that would work for your schedule. I'm thinking of blocking two hours, but really don't think we'd need that much time.

tom
